DETAILED ACTION

Priority

1. Acknowledgment is made of applicant's claim for foreign priority under 35

U.S.C. 119(a)-(d). The certified copy has been filed in parent Application No. 02026232.5, filed on November 26, 2002.

Drawings

2. The drawings were received on May 26, 2005. These drawings are accepted.

Allowable Subject Matter

3. Claims 21-39 are allowed.

4. The following is an examiner's statement of reasons for allowance:

Prior art Kwak fails to disclose or suggest in combination with the remaining claimed limitations: (a) a first part comprising a first antenna element located within and extending through a portion of the first part and radio circuit feeding antenna elements; (b) a second part hingedly joined to an end of the first part for providing at least one open and one closed position of the phone; (c) a hinge element connected to the first and second parts, stretching along the end of the first part for providing rotation of one of the first and second parts in relation to the other one of the first and second parts around a first axis and having a first and second end, wherein a second antenna element is provided in the interior of the hinge element; and (d) a third antenna element located within and extending through a portion of the second part and being electrically connected to the second antenna element at least at the first end of the hinge element in claims 21 and 39. Claims 22-38 are allowed since they are dependent on claim 21.
